核心词汇

M1 Number

English	中文	Use it in a sentence
fractions	数与计算相关术语	I can explain and apply fractions.
ratio	数与计算相关术语	I can explain and apply ratio.
percentage	数与计算相关术语	I can explain and apply percentage.
standard form	数与计算相关术语	I can explain and apply standard form.
bounds	数与计算相关术语	I can explain and apply bounds.
indices	数与计算相关术语	I can explain and apply indices.

M2 Algebra

English	中文	Use it in a sentence
expand	代数、方程与不等式相关术语	I can explain and apply expand.
factorise	代数、方程与不等式相关术语	I can explain and apply factorise.
simplify	代数、方程与不等式相关术语	I can explain and apply simplify.
linear/quadratic equations	代数、方程与不等式相关术语	I can explain and apply linear/quadratic equations.
inequalities	代数、方程与不等式相关术语	I can explain and apply inequalities.
sequences	代数、方程与不等式相关术语	I can explain and apply sequences.

M3 Functions and graphs

English	中文	Use it in a sentence
function notation	函数与图像相关术语	I can explain and apply function notation.
domain	函数与图像相关术语	I can explain and apply domain.
range	函数与图像相关术语	I can explain and apply range.
transformations	函数与图像相关术语	I can explain and apply transformations.
linear/quadratic/cubic/reciprocal graphs	函数与图像相关术语	I can explain and apply linear/quadratic/cubic/reciprocal graphs.

M4 Coordinate geometry

English	中文	Use it in a sentence
gradient	坐标几何相关术语	I can explain and apply gradient.
midpoint	坐标几何相关术语	I can explain and apply midpoint.
distance	坐标几何相关术语	I can explain and apply distance.
straight lines	坐标几何相关术语	I can explain and apply straight lines.
parallel and perpendicular lines	坐标几何相关术语	I can explain and apply parallel and perpendicular lines.

M5 Geometry and trigonometry

English	中文	Use it in a sentence
angles	几何、测量与三角相关术语	I can explain and apply angles.
polygons	几何、测量与三角相关术语	I can explain and apply polygons.
similarity	几何、测量与三角相关术语	I can explain and apply similarity.

English	中文	Use it in a sentence
congruence	几何、测量与三角相关术语	I can explain and apply congruence.
Pythagoras	几何、测量与三角相关术语	I can explain and apply Pythagoras.
sine/cosine/tangent	几何、测量与三角相关术语	I can explain and apply sine/cosine/tangent.

M6 Transformations and vectors

English	中文	Use it in a sentence
reflection	变换与向量相关术语	I can explain and apply reflection.
rotation	变换与向量相关术语	I can explain and apply rotation.
enlargement	变换与向量相关术语	I can explain and apply enlargement.
translation	变换与向量相关术语	I can explain and apply translation.
vector addition and scalar multiplication	变换与向量相关术语	I can explain and apply vector addition and scalar multiplication.

M7 Mensuration

English	中文	Use it in a sentence
circle	周长、面积、体积相关术语	I can explain and apply circle.
sector	周长、面积、体积相关术语	I can explain and apply sector.
prism	周长、面积、体积相关术语	I can explain and apply prism.
cylinder	周长、面积、体积相关术语	I can explain and apply cylinder.
cone	周长、面积、体积相关术语	I can explain and apply cone.
sphere	周长、面积、体积相关术语	I can explain and apply sphere.

M8 Statistics and probability

English	中文	Use it in a sentence
tables	统计与概率相关术语	I can explain and apply tables.
averages	统计与概率相关术语	I can explain and apply averages.
cumulative frequency	统计与概率相关术语	I can explain and apply cumulative frequency.
histograms	统计与概率相关术语	I can explain and apply histograms.
tree diagrams	统计与概率相关术语	I can explain and apply tree diagrams.
conditional probability	统计与概率相关术语	I can explain and apply conditional probability.

M9 Extended reasoning

English	中文	Use it in a sentence
sets	扩展推理与考试策略相关术语	I can explain and apply sets.
matrices	扩展推理与考试策略相关术语	I can explain and apply matrices.
variation	扩展推理与考试策略相关术语	I can explain and apply variation.
iterative methods	扩展推理与考试策略相关术语	I can explain and apply iterative methods.
modelling	扩展推理与考试策略相关术语	I can explain and apply modelling.
