

A Level 9709 P1 + P3

核心词汇

核心词汇

P1-1 Algebra and functions

English	中文	Use it in a sentence
quadratics	P1 代数与函数相关术语	I can explain and apply quadratics.
modulus	P1 代数与函数相关术语	I can explain and apply modulus.
inequalities	P1 代数与函数相关术语	I can explain and apply inequalities.
composite and inverse functions	P1 代数与函数相关术语	I can explain and apply composite and inverse functions.

P1-2 Coordinate geometry

English	中文	Use it in a sentence
circles	P1 坐标几何相关术语	I can explain and apply circles.
lines	P1 坐标几何相关术语	I can explain and apply lines.
intersections	P1 坐标几何相关术语	I can explain and apply intersections.

P1-3 Circular measure and trigonometry

English	中文	Use it in a sentence
radians	P1 弧度与三角相关术语	I can explain and apply radians.
exact values	P1 弧度与三角相关术语	I can explain and apply exact values.
identities	P1 弧度与三角相关术语	I can explain and apply identities.
equations	P1 弧度与三角相关术语	I can explain and apply equations.

P1-4 Series and binomial

English	中文	Use it in a sentence
AP	P1 数列与二项式相关术语	I can explain and apply AP.
GP	P1 数列与二项式相关术语	I can explain and apply GP.
sigma notation	P1 数列与二项式相关术语	I can explain and apply sigma notation.
binomial expansion	P1 数列与二项式相关术语	I can explain and apply binomial expansion.

P1-5 Differentiation

English	中文	Use it in a sentence
power rule	P1 微分相关术语	I can explain and apply power rule.
tangent	P1 微分相关术语	I can explain and apply tangent.
stationary points	P1 微分相关术语	I can explain and apply stationary points.
kinematics	P1 微分相关术语	I can explain and apply kinematics.

P1-6 Integration

English	中文	Use it in a sentence
reverse differentiation	P1 积分相关术语	I can explain and apply reverse differentiation.
definite integrals	P1 积分相关术语	I can explain and apply definite integrals.
area	P1 积分相关术语	I can explain and apply area.

P3–1 Advanced algebra and functions

English	中文	Use it in a sentence
partial fractions	P3 高阶代数与函数相关术语	I can explain and apply partial fractions.
rational functions	P3 高阶代数与函数相关术语	I can explain and apply rational functions.
transformations	P3 高阶代数与函数相关术语	I can explain and apply transformations.

P3–2 Logarithmic and exponential functions

English	中文	Use it in a sentence
laws	P3 指数与对数相关术语	I can explain and apply laws.
e^x	P3 指数与对数相关术语	I can explain and apply e^x .
$\ln x$	P3 指数与对数相关术语	I can explain and apply $\ln x$.
modelling	P3 指数与对数相关术语	I can explain and apply modelling.

P3–3 Advanced trigonometry

English	中文	Use it in a sentence
sec/cosec/cot	P3 高阶三角相关术语	I can explain and apply sec/cosec/cot.
compound angles	P3 高阶三角相关术语	I can explain and apply compound angles.
R-form	P3 高阶三角相关术语	I can explain and apply R-form.
identities	P3 高阶三角相关术语	I can explain and apply identities.

P3–4 Differentiation and applications

English	中文	Use it in a sentence
product	P3 微分与应用相关术语	I can explain and apply product.
quotient	P3 微分与应用相关术语	I can explain and apply quotient.
chain rule	P3 微分与应用相关术语	I can explain and apply chain rule.
implicit	P3 微分与应用相关术语	I can explain and apply implicit.
parametric	P3 微分与应用相关术语	I can explain and apply parametric.

P3–5 Integration and differential equations

English	中文	Use it in a sentence
substitution	P3 积分与微分方程相关术语	I can explain and apply substitution.
by parts	P3 积分与微分方程相关术语	I can explain and apply by parts.
partial fractions	P3 积分与微分方程相关术语	I can explain and apply partial fractions.
numerical methods	P3 积分与微分方程相关术语	I can explain and apply numerical methods.

P3–6 Numerical methods and vectors

English	中文	Use it in a sentence
Newton–Raphson	P3 数值方法与向量相关术语	I can explain and apply Newton–Raphson.
vector lines	P3 数值方法与向量相关术语	I can explain and apply vector lines.
scalar product	P3 数值方法与向量相关术语	I can explain and apply scalar product.
